

Cal Grant Program

California State Assembly

Bill Quirk

ASSEMBLYMEMBER, 20TH DISTRICT

Dear Friend,

The State Legislature has successfully worked to make sure that Cal Grants, our state's most popular college assistance program, continues to receive funding.

While the search for college financial aid sources can be challenging, programs are still available to help you and your family get the support you need.

California's Cal Grant program *guarantees* financial aid to *every qualified student* who applies and plans to attend a Cal Grant authorized institution. Depending on the type of financial assistance for which you qualify, books, room and board may also be subsidized.

For a complete guide on how to apply for a Cal Grant, go to www.calgrants.org.

Remember, you can't get the money unless you fill out the application and meet the March 2nd deadline. So don't delay.

If you have any questions, please contact my office.

Sincerely,

Bill Quirk

Assemblymember, 20th District

FINANCIAL AID PROGRAMS

FEDERAL FINANCIAL AID — This includes the federal Pell Grant, federal SEOG Grant, federal work-study and the federal Perkins Loan programs. The federal Stafford Loan programs and federal direct loan programs are available to almost all college students.

LOAN PROGRAMS — Qualified students and their parents can borrow money for education through low-interest federally supported loans.

STATE FINANCIAL AID — State aid is administered by the Commission, and for the most part, is reserved for California resident students with financial need as determined by the information contained on their Free Application for Federal Student Aid (FAFSA). In addition, the well-funded Cal Grant programs require academic qualification; a GPA Verification Form must be postmarked by March 2nd each year.

PRIVATE SCHOLARSHIPS — Hundreds of privately funded scholarships are available nationally to qualified students. Scholarships are considered gift aid, which does not have to be repaid, and are often awarded for merit in academics, athletics, or a particular field of study. Scholarships may also be awarded by ethnic background, religious affiliation and special interests.

No matter what type of financial aid you may need, be sure to start looking early! Many programs have specific filing deadlines.

MILESTONES ON THE FINANCIAL AID CALENDAR

It's never too early to start thinking about going to college, planning where you would like to attend and researching what financial resources may be available to you.

As you begin the process of planning, be sure to keep these tasks and time frames in mind:

High School Juniors

MARCH AND AUGUST — Sign up with your counselor to take the SAT or ACT test.

MAY AND AUGUST — Visit your high school counselor's office, browse through college directories at your library, communicate with colleges in which you're interested and meet with college representatives.

Financial aid can help make your dream of getting a college diploma come true.

High School Seniors

OCTOBER — Obtain college admission application packets at high school counseling offices or at nearby UC, CSU, or other campuses. Contact independent colleges and occupational career schools for admission materials and financial aid application procedures.

NOVEMBER — File your application for fall admission to UC and CSU campuses for priority consideration. If you're applying for a Cal Grant, pick up the FAFSA and GPA Verification Form.

Remember, file the FAFSA between January 1st and March 2nd.

JANUARY — Submit your financial aid applications for most state and federal aid.

FEBRUARY — Check with each college for information on its unique grant and scholarship programs.

MARCH 2ND — *Cal Grant A, B and C Application Deadline.*

Send your FAFSA to the federal processor postmarked no later than March 2nd.

For Cal Grants A, B and C, you must submit a GPA Verification Form to the California Student Aid Commission by March 2nd, if required. Please ask your school to submit your GPA electronically to the Commission by the March 2nd filing deadline.
